## **MEETINGS OF THE NORTH LONDON WASTE AUTHORITY**

Everyone is welcome to come to the public meetings of the Authority to see decisions being made. Agendas for these meetings are available in advance at <http://www.nlwa.gov.uk/governance/authority-meetings>

If you are interested in a particular item being considered at a meeting and you wish to speak (called making a deputation), you must make your request in writing to Cheryl Hardman by e-mailing [cheryl.hardman@camden.gov.uk](mailto:cheryl.hardman@camden.gov.uk) or by sending a letter to Cheryl Hardman, Committee Services, Crowndale Centre, 218 Eversholt Street, London, NW1 1BD. If you wish to discuss your deputation request or have any other queries please call 020 7974 1619.

Written deputation requests for the meeting must be received by **9am on 25 October 2019**. The request will be considered in line with NLWA Standing Order A.17 regarding deputations. You can view the standing orders at: <http://www.nlwa.gov.uk/governance/standing-orders>.

If you require special assistance to enable you to address a meeting, please contact Cheryl Hardman using the details on the front of the agenda as soon as possible and they will make arrangements to assist you. Please note that if insufficient notice is provided it may not be possible to help you.

The Authority consists of fourteen councillors, with each of the seven constituent councils (Barnet, Camden, Enfield, Hackney, Haringey, Islington and Waltham Forest) appointing two of their own councillors to serve on the Authority. Officers of the Authority attend the meeting to present reports and give advice but only the councillors make decisions at the meeting.

The Chair of the meeting controls the debate. Those present discuss the business by addressing the Chair; this helps to keep the debate in an orderly manner. The Chair takes each item in turn and when s/he considers there has been sufficient debate, s/he will call for a decision on the item. At this stage, a vote may be taken on the recommendations, which are either found at the front of each report or put forward by Councillors. The reports are usually taken in the order on the agenda. Please note that it is not possible for you to take part in the discussion (unless you are invited to make representations.)

The Local Government (Access to Information) Act allows the Authority to discuss certain items in private. Such items are discussed at the end of the meeting and you will be asked to leave at this point. Due to the nature of the business under consideration, there are normally confidential items at every meeting of the Authority.

It is drawn to the attention of members of the public and press that the reports relating to the items listed below are considered to be exempt within the meaning of Schedule 12A to the Local Government Act 1972, as amended. The Authority will be asked to pass a resolution, the effect of which is to exclude members of the public and press from the remaining part of the proceedings.

Information contained in the agenda items below is exempt because it falls within: Categories 1 and 3 of Schedule 12A Local Government Act 1972 (as amended). The Proper Officer has considered all the circumstances of the reports and is of the view that on balance the public interest in maintaining the exemption outweighs the public interest in disclosing the information.

Proposed resolution:-

“THAT the press and public be excluded from the proceedings of the North London Waste Authority on 4th April 2019 during consideration of the following items on Part II of the agenda, on the basis that, were Members of the public to be present, there would be disclosure of exempt information as defined in Schedule 12A to the Local Government Act 1972, as amended.

Specifically:

Exempt Information Category 1 – Information which relates to an individual. The reasons why the public interest favours withholding the information are that the release of such information could constitute or facilitate an unwarranted interference with individuals’ privacy.

Exempt Information Category 3 – Information relating to the financial or business affairs of any particular person, including the authority holding that information, and not required to be registered under various statutes: the reasons why the public interest favours withholding the information are that the release of such information would prejudice the Authority’s conduct of a commercial operation OR because the disclosure of the information is likely to prejudice the commercial interests of the Authority and organisations engaged in commercial activities as the information related to commercial activities that are conducted in a competitive environment.
