

NORTH LONDON WASTE AUTHORITY

REPORT TITLE: FORWARD PLAN

REPORT OF: MANAGING DIRECTOR

FOR SUBMISSION TO: AUTHORITY MEETING

DATE: 24 JUNE 2021

SUMMARY OF REPORT:

This report provides a forward plan of reports for the Authority.

RECOMMENDATION:

The Authority is recommended to comment on and note the report.

SIGNED:  Managing Director

DATE: 14 June 2021

1. INTRODUCTION

- 1.1. This report sets out plans for future reports and indicative dates of decisions. This is intended to assist Members, including aligning Authority business with any decisions which may need to be made by the Constituent Boroughs.
- 1.2. This report will be updated for every meeting and new and forthcoming items will be added to the list over time.
- 1.3. The Forward Plan, which is attached, has been divided into sections as set out below. In addition to papers for consideration at meetings, officers have, as necessary, provided updates to Members on the management of services during Coronavirus restrictions. The timing of issues going forward has some uncertainties – some issues may need expediting while others may be deferred (particularly where dependent on external organisations who might have different priorities). However, the forward plan provides a reference point against which changes can be managed:
 - 1.3.1. Consultations and Policy Development
 - 1.3.2. Strategy and Services
 - 1.3.3. Corporate Management
 - 1.3.4. Finance
 - 1.3.5. North London Heat and Power Project

2. CONSULTATIONS AND POLICY DEVELOPMENT

- 2.1. Consultations relating in particular to planning policy developments and issues relating to waste management are kept under review. Where such consultations are identified, they are noted in this section of the forward plan; otherwise, a general report is listed, and relevant policy developments and consultations will be included.

3. STRATEGY AND SERVICES

- 3.1. This section lists the on-going recycling, composting and disposal of the wastes collected by the seven constituent borough councils, along with associated contract performance management and statutory reporting activities.

4. CORPORATE MANAGEMENT

- 4.1. At the organisational level, the Authority continues to have regard to potential risks, to oversee its shareholder interest in LondonEnergy Ltd, and to manage its relationships with the constituent borough councils.

5. FINANCE

- 5.1. Budget approval reports and Accounts sign off by the Audit Committee are included, together with the regular budget updates.

6. NORTH LONDON HEAT AND POWER PROJECT (NLHPP)

- 6.1. This section covers reports to take forward specific aspects of the Authority's approach to the treatment of residual waste, which will be updated to take account of Members' decisions on the timeline for future activity.
- 6.2. With the establishment of a Programme Committee for the NLHPP a separate Forward Programme is provided for the NLHPP. The NLHPP Forward Programme includes the timing of decisions on procurement relating to future residual waste facilities. As well as an indication of the timing of decisions, this report includes timings of presentation of policies and strategies for agreement or review.

7. EQUALITIES IMPLICATIONS

- 7.1. There are no equalities implications of this report. Any equalities implications of forthcoming reports will be identified in the reports when presented.

8. COMMENTS OF THE FINANCIAL ADVISER

- 8.1. The Financial Adviser has been consulted in the preparation of this report and all comments have been incorporated.

9. COMMENTS OF THE LEGAL ADVISER

- 9.1. A forward plan as such is not a legal requirement, because the Authority does not operate under Executive arrangements, but will nonetheless be helpful in longer term business planning.
