MEETINGS OF THE NORTH LONDON WASTE AUTHORITY

Agendas for public meetings are available in advance at: <https://www.nlwa.gov.uk/ourauthority/our-meetings>.

If you are interested in a particular item being considered at a meeting and you wish to speak (called making a deputation), you must make your request in writing to Vicky Wemyss-Cooke by e-mailing vicky.wemyss-cooke@camden.gov.uk or by sending a letter to Vicky Wemyss-Cooke, Committee Services, Crowndale Centre, 218 Eversholt Street, London, NW1 1BD. If you wish to discuss your deputation request or have any other queries please call 020 7974 5726.

Written deputation requests for the meeting must be received by **9am on Monday, 6 February 2023**. The request will be considered in line with NLWA Standing Order A.17 regarding deputations. You can view the standing orders at: <https://www.nlwa.gov.uk/ourauthority/governance>. If your deputation request is accepted, the option to make your deputation remotely via Microsoft Teams will be available.

If you require special assistance to enable you to address a meeting, please contact the committee clerk using the details on the front of the agenda as soon as possible and they will make arrangements to assist you. Please note that if insufficient notice is provided it may not be possible to help you.

The Authority consists of fourteen councillors, with each of the seven constituent councils (Barnet, Camden, Enfield, Hackney, Haringey, Islington and Waltham Forest) appointing two of their own councillors to serve on the Authority. Officers of the Authority attend the meeting to present reports and give advice but only the councillors make decisions at the meeting.

The Chair of the meeting controls the debate. Those present discuss the business by addressing the Chair; this helps to keep the debate in an orderly manner. The Chair takes each item in turn and when s/he considers there has been sufficient debate, s/he will call for a decision on the item. At this stage, a vote may be taken on the recommendations, which are either found at the front of each report or put forward by Councillors. The reports are usually taken in the order on the agenda. Please note that it is not possible for you to take part in the discussion (unless you are invited to make representations.)

The Local Government (Access to Information) Act allows the Authority to discuss certain items in private. Due to the nature of the business under consideration, there are normally confidential items at every meeting of the Authority. Such items are discussed at the end of the meeting. The live meeting stream will be stopped and you will be asked to leave at this point. Any members of the public joining the meeting remotely will also be asked to leave.

Members of the public have a right to take their own recordings of public meetings for reporting purposes. This does not apply to any of the Authority's meetings which are private or not open to the public. Laws on public order offences and defamation still apply, and you should exercise your rights with responsibility. Please respect the views of others when reporting a meeting.

You may be asked to stop filming, photographing or recording a meeting if this in some way becomes disruptive to the meeting.

This meeting will be webcast and can be watched live or viewed for twelve months afterwards at www.camden.gov.uk/webcast. If you are attending a meeting but do not wish to appear on the webcast you are advised to sit in the public gallery.

WEBCASTING NOTICE

This meeting will be broadcast live via www.camden.gov.uk/webcast. The whole of the meeting will be filmed and recorded, except where there are confidential or exempt items, and the footage will be on the website for at least 12 months. A copy of it will also be retained in accordance with Camden Council's and the NLWA's data retention policies.

If you make a representation to the meeting you will be deemed by the Authority to have consented to being filmed and to the possible use of those images and sound recordings for webcasting and/or training purposes.

The Authority is obliged by law to allow members of the public to take their own recordings and images of this remote meeting. The Authority will only seek to prevent this should it be undertaken in a disruptive or otherwise inappropriate manner.

The privacy notice that explains Camden Council's use of webcasting data can be seen at: www.camden.gov.uk/webcast. The NLWA's privacy notice can be accessed by contacting the Authority.

If you have any queries regarding webcasting or the recording of meetings by the public, please contact the committee clerk.

It is drawn to the attention of members of the public and press that the reports relating to the items listed below are considered to be exempt within the meaning of Schedule 12A to the Local Government Act 1972, as amended. The Authority will be asked to pass a resolution, the effect of which is to exclude members of the public and press from the remaining part of the proceedings.

Information contained in the agenda items below is exempt because it falls within: Category 3 of Schedule 12A Local Government Act 1972 (as amended). The Proper Officer has considered all the circumstances of the reports and is of the view that on balance the public interest in maintaining the exemption outweighs the public interest in disclosing the information.

Proposed resolution:-

“THAT the press and public be excluded from the proceedings of the North London Waste Authority on 9th February 2023 during consideration of the following items on Part II of the agenda, on the basis that, were Members of the public to be present, there would be disclosure of exempt information as defined in Schedule 12A to the Local Government Act 1972, as amended.

Specifically:

Exempt Information Category 3 – Information relating to the financial or business affairs of any particular person, including the authority holding that information, and not required to be registered under various statutes: the reasons why the public interest favours withholding the information are that the release of such information would prejudice the Authority’s conduct of a commercial operation OR because the disclosure of the information is likely to prejudice the commercial interests of the Authority and organisations engaged in commercial activities as the information related to commercial activities that are conducted in a competitive environment.”
