MEETINGS OF THE NORTH LONDON WASTE AUTHORITY

Agendas for public meetings are available in advance at: <https://www.nlwa.gov.uk/ourauthority/our-meetings>.

If you are interested in a particular item being considered at an ordinary meeting and you wish to speak (called making a deputation), you must make your request in writing to Cheryl Hardman by e-mailing cheryl.hardman@camden.gov.uk or by sending a letter to Cheryl Hardman, Democratic Services, Camden Town Hall, Judd Street, London, WC1H 9JE. If you wish to discuss your deputation request or have any other queries please call 020 7974 1619.

Written deputation requests for the meeting must be received by **9am on Wednesday, 15 July 2026**. The request will be considered in line with NLWA Standing Order A.17 regarding deputations. You can view the standing orders at: <https://www.nlwa.gov.uk/ourauthority/governance>. If your deputation request is accepted, the option to make your deputation remotely will be available.

If you require special assistance to enable you to address a meeting, please contact the committee clerk using the details on the front of the agenda as soon as possible and they will make arrangements to assist you. Please note that if insufficient notice is provided it may not be possible to help you.

The Authority consists of fourteen councillors, with each of the seven constituent councils (Barnet, Camden, Enfield, Hackney, Haringey, Islington and Waltham Forest) appointing two of their own councillors to serve on the Authority. Officers of the Authority attend the meeting to present reports and give advice but only the councillors make decisions at the meeting.

The Chair of the meeting controls the debate. Those present discuss the business by addressing the Chair; this helps to keep the debate in an orderly manner. The Chair takes each item in turn and when they consider there has been sufficient debate, they will call for a decision on the item. At this stage, a vote may be taken on the recommendations, which are either found at the front of each report or put forward by Councillors. The reports are usually taken in the order on the agenda. Please note that it is not possible for you to take part in the discussion (unless you are invited to make representations.)

The Local Government (Access to Information) Act allows the Authority to discuss certain items in private. Due to the nature of the business under consideration, there are normally confidential items at every meeting of the Authority. Such items are discussed at the end of the meeting. The live meeting stream will be stopped and you will be asked to leave at this point. Any members of the public joining the meeting remotely will also be asked to leave.

Members of the public have a right to take their own recordings of public meetings for reporting purposes. This does not apply to any of the Authority's meetings which are private or not open to the public. Laws on public order offences and defamation still apply, and you should exercise your rights with responsibility. Please respect the views of others when reporting a meeting.

You may be asked to stop filming, photographing or recording a meeting if this in some way becomes disruptive to the meeting.

This meeting will be webcast and can be watched live or viewed for twelve months afterwards at www.camden.gov.uk/webcast. If you are attending a meeting but do not wish to appear on the webcast you are advised to sit in the public gallery.

WEBCASTING NOTICE

This meeting will be broadcast live via www.camden.gov.uk/webcast. The whole of the meeting will be filmed and recorded, except where there are confidential or exempt items, and the footage will be on the website for at least 12 months. A copy of it will also be retained in accordance with Camden Council's and the NLWA's data retention policies.

If you make a representation to the meeting you will be deemed by the Authority to have consented to being filmed and to the possible use of those images and sound recordings for webcasting and/or training purposes.

The Authority is obliged by law to allow members of the public to take their own recordings and images at public meetings. The Authority will only seek to prevent this should it be undertaken in a disruptive or otherwise inappropriate manner.

The privacy notice that explains Camden Council's use of webcasting data can be seen at www.camden.gov.uk/data-protection-privacy-and-cookies#webcasting. The NLWA's privacy notice can be accessed by contacting the Authority.

If you have any queries regarding webcasting or the recording of meetings by the public, please contact the Democratic Services Officer.
