

Members of North London Waste Authority

The Authority consists of fourteen Members, with two councillors appointed from each of the seven north London boroughs. The composition of the Authority following notification of borough appointments is seven Green, five Labour and two Conservative Members. Information on Members' responsibilities and NLWA activities has been provided in an introductory briefing. The first meeting of the newly constituted Authority will take place on Thursday 25 June at 2.30pm in Camden Town Hall.
