Dear Clyde

Thank you for your letter of 4 November notifying me of you Authority's news on the acquisition of London Waste Limited and Edmonton Ecopark.

I am extremely pleased to hear about this change in circumstances and I am excited about the opportunity this now provides for both North London Waste Authority and London as a whole when considering the challenges we all face with regards the management of waste as a resource.

I wholeheartedly support the refreshing of your application to Government for PFI funding to include the provision of Edmonton Ecopark as the preferred location for recycling and waste treatment infrastructure, and my officers look forward to meeting your officers to discuss what more we can do to support your application.

Yours ever,

**Boris Johnson**  
Mayor of London
