

Charter of Commitment

I,
am committed to reducing my impact on the environment and as part of this commitment I am already doing or pledge to be doing the following (please tick all that apply):

1 Ask my customers before I offer them a charged for plastic bag and encourage them to bring their own bags.

2 Sign up to the refill.org.uk London scheme and offer free water refills to my customers.

3 Encourage my customers to bring their own cups and food containers and/or avoid offering disposable ones.

4 Avoid selling takeaway food/drinks in polystyrene packaging.

5 Provide washable cutlery rather than disposable.

6 Offer items such as milk, sugar, butter, jam and condiments in larger (ideally refillable) containers or dispensers rather than individual single use portion packs.

7 Avoid selling goods in single use packaging.

8 Sell loose fruit and vegetables when possible rather than pre-packed.

New pledge
Already committed

I also commit to taking the following further action:

- Recycling all recyclable plastics that cannot be reused or reduced.
- Providing staff time to attend NLWA training session on waste prevention.
