ANNEX 6: ANTI-COLLUSION CERTIFICATE

(For completion)

The essence of the public procurement process is that the Authority shall receive bona fide competitive tenders from all Tenderers. In recognition of this principle we hereby certify that this is a bona fide tender, intended to be competitive, and that we have not shared, fixed or adjusted the existence or the amount of the tender or the rates, prices, terms or other elements of the tender quoted to the Authority by or under or in accordance with any agreement, understanding or arrangement with any other person or tenderer (other than a member of our own consortium).

We have not and insofar as we are aware neither has any supply chain member, except as disclosed with this tender:

- 1 entered into any agreement with any other person with the aim of preventing tenders being made or as to the fixing or adjusting of the amount of any tender or the conditions on which any tender is made or the elements or contents of any tender;
- 2 informed any other person, other than the person calling for this tender, of the amount or the approximate amount of the tender or of any confidential information in relation to this tender, except where the disclosure, in confidence, of the amount of the tender was necessary to obtain quotations necessary for the preparation of the tender;
- 3 provided or received any confidential information relating to any other actual or potential tender;
- 4 caused or induced any person to enter into such an agreement as is mentioned in paragraphs 1 and 2 above or to act as mentioned in paragraph 3;
- 5 committed any offence under the Bribery Act 2010 nor under Section 117 of the Local Government Act 1972;
- 6 offered or agreed to pay or give any sum of money, inducement or valuable consideration directly or indirectly to any person for doing or having done or causing or having caused to be done in relation to any other tender or proposed tender any act or omission;
- 7 canvassed any other persons referred to in paragraph 1 above in connection with the tender; or
- 8 contacted any officer of the Authority or Constituent Boroughs about any aspect of the tender in a manner not permitted by the Authority's documents including for the purposes of discussing the possible transfer to the employment of the tenderer of such officer for the purpose of the tender or for soliciting information in connection with the tender.

We also undertake that we shall not procure the doing of any of the acts mentioned in paragraphs 1 to 8 above before the hour and date specified for the return of the tender nor (in the event of the tender being accepted) shall we do so while the resulting contract continues in force between us (or our successors in title) and the Authority (or their successors in title).

In this certificate the word "person" includes any person, body or association, corporate or incorporate and "agreement" includes any arrangement whether formal or informal and whether legally binding or not.
